Suitable for pipes with the following dimensions (mm)
14-18
20-25

### MARKING

The products shall be marked with the Kiwa®-mark.

The realization of the marks is as follows: clear, durable and indelible on every clip and product packaging.

The clips shall be marked with at least the following marks:

- Word mark **Kiwa** or KK \*;
- manufacture's name, trade name;
- nominal outside diameter in mm of the pipe;
- production date or production code\*.

Marking with BRL-K 506 is optional.

\* For small fittings marking with KK only is allowed. These indications may, if not otherwise possible, be provided together with the smallest packaging unit.

### APPLICATION AND USE

The products are designated for the fastening of cold- and hot water copper or plastic pipes.

### RECOMMENDATIONS FOR CUSTOMERS

Check at the time of delivery whether:

- the supplier has delivered in accordance with the agreement;
- the mark and the marking method are correct;
- the products show no visible defects as a result of transport etc.

If you should reject a product on the basis of the above, please contact:

- CELO FIJACIONES S.L.
- and, if necessary,
- Kiwa Nederland B.V.

Consult the supplier's processing guidelines for the proper storage and transport methods.
